DATA PROTECTION:

Knutsford Tennis Club Membership Secretary keeps records (application forms and computer database) for the purposes of confirming membership, communicating with members about events/meetings and ensuring team and club tournament play is organised efficiently. Knutsford Tennis Club will not share these details outside of the Knutsford Sport Club. Committee members may request the database for these purposes. Non-committee members, such as team captains, may only make specific requests for an individual's telephone contact number.

PLEASE TICK BOX IF YOU **DO NOT WANT** YOUR DETAILS TO BE USED THIS WAY.

If you do not agree with this practice then your details will not be transferred to the computer database, only your name & payment. This may mean that you miss out on some club communications. Your telephone number will not be on the printed list circulated to members.

Each year all senior/intermediate/student members are circulated with a list of last years adult names and phone contact details. Details of non renewing members are erased in the subscription year following their lapsed year. You may ask for a copy of your record from the Membership Secretary at anytime.

IMPORTANT INFORMATION:

Medical conditions: Please note that children with a medical condition should bring any appropriate medication with them to Club night when being coached or playing in a match or competition event. It will be THEIR responsibility to administer this medication. Children should also be protected with suncream in the summer and will be expected to apply it themselves.

Photographic consent: There may be times when Knutsford Tennis Club would like to publish photographs of junior club members to promote the Club. We will only publish photographs of children if we have the consent of parents or guardians. In most cases we will only take and publish photographs of children in a group and if we publish their name it will be first name only (ie not their surname). If in the circumstances we wish to publish individual photographs of children or publish their full name, we will seek additional consent from the parents or guardians.
